Trip Summary

Considering your trip from Delhi to Bangalore, I've found a suitable flight option for you. You can fly with Air India on July 26th, with a duration of 2 hours and 55 minutes. The weather in Bangalore is expected to be pleasant, with a temperature of 24.7 degrees. You can explore the top attractions in the city, and I recommend checking out the local spots. Since your budget is 90,000, you'll have ample opportunities to experience the best of Bangalore.
