Trip Summary

Considering your trip from Delhi to Mumbai, I'd recommend exploring Goa, a popular destination known for its beautiful beaches, vibrant nightlife, and delicious seafood. With a budget of ₹80k for 4 days, you can find suitable accommodations and activities. Since you're traveling with one other person, you might enjoy the relaxed atmosphere and water sports Goa has to offer. The weather in Mumbai is currently 26.8 degrees, but Goa's weather is usually pleasant during this time. You can fly from Delhi to Mumbai and then take a connecting flight or drive to Goa.
