Trip Summary

I've planned a 5-day trip to Goa for you and your travel companion. You can fly from Mumbai to Goa with Air India, and I've found two flight options for you, one departing at 12:30 and the other at 16:30. Goa is a great destination for its beautiful beaches, vibrant nightlife, and delicious seafood. You can explore the city using rental scooters or taxis. The weather in Goa is pleasant in July, with a temperature of 24.3 degrees. I recommend checking out the top attractions in Goa, which you can find on the maps. For accommodation, you can book a hotel in Goa through the provided booking link. Have a great trip!
